**GREETINGS
FROM THE
CELLARMASTER**

This is too much fun. Wine, food, accessories...we have it all. I get a kick out of creating this catalog. Because what I say goes. I want the best items in the best baskets and the best accessories. Foods I take home, wines that I pour and accessories that I actually use. This year we really searched for fun items. Items you won't see everywhere. My family hates it when we go on vacation. Every time we go into a shop, I am taking pictures of some cool item that I want to offer my customers.

This year we returned some of the old favorites: Barrel O' Wine, Luxury Designer Tote, The Classy Girl and others. My favorite new accessory is the Electric Rabbit Corkscrew from Metrokane; I have been trying to break one for three weeks...it won't break! In addition, we have added two wooden wine boxes with all the wine accoutrements. A big hit last year for non-wine drinking gift giving was our Melina's Balsamic Vinegar and Vistalba Olive Oil set... really good stuff.

Of course, we have our wonderful one-time wine assortment gifts and our Wine of the Month Club gift memberships.

Whichever gift you decide, you know that it will be delivered in pristine condition with your personalized gift message on the card. If we ever fail to meet your or your gift recipient's expectation, we will make it right and then some.

Paul Kalemkarian
President/Cellarmaster

PERFECT PAIRING

Just as I thought, some expensive oils and vinegars are lousy and some inexpensive versions are great. These two were the "hands down" favorites of the panel. Vistalba Olive Oil (500ml) from Argentina has a rich, olive taste with a smooth texture. Melina's Balsamic Vinegar (250ml) from Modena is smooth with balanced tartness. I pour this "solo" on my salad. Delivered in a handsome linen gift box.
